5 Top reasons for you to become a RDI Consultant

1. You want to make a difference

By helping to restore the Guided Participation Relationship affected families, you dramatically improve their quality of life.

2. Your Passion fits our mission

RDI enables you to work with families and students with a variety of developmental difficulties (ASD, ADHD, ADD and others)

3. Your value increase in the market place

RDI Certification provides our Professionals with additional and valuable credentials that are respected world wide.

4. You don't believe in the 'one size fits all'

Model RDI allows you to customize a plan for each family to fit their unique needs.

5. You want to stay current and relevant

RDI programs utilize the most up-to-date research on neural connectivity and brain development
