**Empowering  
Autistic Individuals to  
Live with Dignity since 2004**

## Our Mission

To provide high quality, international education to students who have Autism Spectrum Disorders or other developmental difficulties.

To provide quality training, which is scientifically proven and research based so that students with Autism can lead a fulfilling life of dignity and respect.

## Our Vision

To provide a platform whereby, our students can live respectfully, within the society and achieve a quality of life which is the birth right of every human being.

## - How it all began

Support for Autistic Individuals - SAI Connections was founded by Kamini Lakhani in 2004.

Having a son on autism spectrum (he is a young adult now), she knew the challenges encountered by parents of similarly abled children.

Kamini Lakhani and her son Mohit

Kamini is a Behavior Specialist and RDI Certified Consultant and Director for RDI Profesional in India and Middle East.

Mohit is an accomplished artist

Sai Connections aims to empower every family affected by autism.

## RDI & FAMILY CONSULTATION

Relationship Development Intervention (RDI) is a family based treatment program founded and developed in USA by Drs. Rachele Sheely and Steven Gutstein.

RDI addresses the Core Deficits of Autism such as Motivation, emotional Sharing, Declarative Communication, Co regulation and Referencing.

Sai Connections is the only center in the world with 4 RDI Consultants under one roof.

## RDI & PROFESSIONAL TRAINING

The Current figures for Autism Spectrum are staggering. 1 in 49 children is diagnosed with it. At present we have a handful of Certified Consultants in India.

There is a dire need to provide quality services which enhance the life of the entire family affected by Autism.

Our Director, Kamini Lakhani, is the authorised Director for Professional Training in India and the Middle East.

Reach out to us for the next RDI professional training. This is an online training.
